

On behalf of the Conference Services Leadership Team, University Housing, and Florida State University, we are pleased that you are joining us this summer.

As your summer host, we look forward to working with you to make your event a success! Whether you are hosting a large or small scale conference or camp, we will strive to make our services exceed your expectation through comfortable accommodations and outstanding customer service.

Our Conference Services staff includes over 30 interns and student staff members who are here to assist you throughout every step of your conference experience. Our goal is to help make your stay with us as pleasant as possible and leave your camp participants raving about your event long after it has ended.

Each camp/conference is paired with their own Conference Coordinator who is available to help coordinate all your housing needs. We pride ourselves on our ability to bring exceptional customer service to all of our guests.

The front desk of each residence hall is staffed 24/7. If you have any questions or concerns, please stop by and we will be able to assist you.

From 7:00am – 11:00pm each day, there will be a Conference Assistant (CA) available in the hall office. From 11:00pm – 7:00am each night, there will be a Night Staff (NS) available. Conference Coordinators are on call 24/7. In case of an emergency CA/NS will contact them.
